Mike Compton presented the following estimated remodeling expenses on the Tanglewood facility:

#### YTD remodeling expenses:

Demolition	\$ 700
Lighting and electrical	2,400
Bathrooms	600
Includes fans, wallpaper, and mirrors	
Floor Tiles	475

Mike has donated a lot of his time and labor coordinating the remodeling tasks and personally installing some of the new materials. Other members have also volunteered their services and assistance. As a result, the Club has saved quite a bit on the remodeling/moving expenses by not having to hire out these duties. Walter Ely also donated a garbage disposal.

This committee works in conjunction with the Building Committee. Any changes and/or additions must be cleared through this committee.

The President shall appoint a chairperson with approval by the Board for a term of one year. The committee will consist of 3 to 5 members selected by the chairperson
